NEXT STEPS IN THE SAN LUCAS COMMUNITY'S DRINKING WATER SOLUTIONS

SAN LUCAS UNION SCHOOL | MULTI-PURPOSE ROOM | 53675 SAN BENITO ST, SAN LUCAS, CA 93954
WEDNESDAY, AUGUST 28, 2024 AT 5:30 PM – 7:30 PM

WHAT THIS MEANS TO YOU

The San Lucas Drinking Water Project Team invites you to a community meeting to update you on potential drinking water options to improve drinking water quality in the San Lucas community. This meeting will follow up on the community meeting held in October 2023.

Working together with the San Lucas County Water District (Water District), the State Water Resources Control Board is funding a team of technical assistance providers to develop and evaluate options to improve drinking water quality in the community.

At this community meeting, the San Lucas Drinking Water Project Team will explain the potential drinking water solutions, advantages and disadvantages of each solution, costs and timelines for each solution, and the next steps to move forward with a final project. At the meeting, you will also have the opportunity to ask questions, provide feedback on the information presented, and provide your recommendation for the solution for the Water District to consider.

HOW TO SUBMIT WRITTEN FEEDBACK

DEADLINE SEPTEMBER 12, 2024

In addition to attending and providing feedback at the community meeting, you can provide written feedback on the potential drinking water options by using one of the following options:

Fill out a comment card:

San Lucas County Water District

(ask for Antonio Ramirez)

53365 Main Street, San Lucas, CA 93954

Email:

OPP-SAFER@Waterboards.ca.gov

Online Form:
