**Notes:**

1. Projects eligible for grant/PF under Appendices D and E, and all consolidation incentive projects, are added to the Fundable List after the Deputy Director, or designee, deems the application complete.

2. Project numbers and project names are for administrative purposes only. DFA may assign or reassign project numbers and names as necessary to administer projects.

3. Construction Projects eligible for grant/PF under Appendices D and E are potentially eligible for DWSRF Principal Forgiveness, and DFA intends to award PF in the amounts previously discussed to projects from this group. The demand for grant/PF well exceeds the \$108 million in principal forgiveness available from the FFY 2023 DWSRF Base Program and General Supplemental capitalization grants.

4. BOLD projects are projects that have a complete application and on the fundable list.
