
Lahontan Regional Water Quality Control Board

2025 Triennial Review - Request for Input on Potential Basin Planning Priorities

The Lahontan Regional Water Quality Control Board is receiving feedback for the 2025 Triennial Review of the Water Quality Control Plan for the Lahontan Region ("Basin Plan").

An online survey is now available to provide input for the 2025 Triennial Review. The survey closes January 10, 2025.

Please refer to the program page for more information on the 2025 Triennial Review, including a link to the survey and a link to a description of candidate projects the Water Board will consider prioritizing in the Triennial Review.: [Basin Plan Program | Lahontan Regional Water Quality Control Board.](#)
