March 13, 2008

Mr. Scott Summers  
ARB Inc.  
26000 Commerce Centre Drive  
Lake Forrest, CA 92630

Dear Mr. Summers:

**TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PERMIT—ARB INC., POLB PIER D AND T WATERLINE RELOCATION, 1200 W. PIER D, LONG BEACH (CAG674001, CI—9240)**

In our letter dated March 14, 2007, we informed you that the subject discharge is regulated under Order No. R4-2004-0109, *General NPDES and Waste Discharge Requirements for Discharges of Low Threat Hydrostatic Test Water to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, which also serves as your NPDES permit.

In your letter dated May 14, 2007, you informed Regional Board staff that the above-referenced project was completed in May 2007. Since the NPDES permit is no longer necessary, you requested termination of your coverage under the above-referenced General NPDES permit. On March 11, 2008, Regional Board staff inspected the facility and verified that there is no discharge to surface waters from the project.

Since there is no discharge from the site to the storm drain, coverage under Board Order No. R4-2003-0109 for the subject facility is hereby terminated except for enforcement purposes. Please note that if future discharges of groundwater to surface water becomes necessary, you must file a Report of Waste Discharge with this office and obtain Waste Discharge Requirements (WDRs) prior to discharging any groundwater from the site to surface waters. If you have any questions, please contact Vilma Correa at (213) 576-6794.

Sincerely,

  
\_\_\_\_\_  
Tracy J. Egoscue  
Executive Officer
