CHANGE OF BOARD MEETING LOCATION - TENTATIVE WASTE DISCHARGE REQUIREMENTS – TOYON CANYON LANDFILL, LOS ANGELES, CALIFORNIA (File No. 57-061, CI 1695, Geotracker Global ID L10002680436)

Dear Mr. Gharios:

Reference is made to our letter dated April 9, 2012, indicating that this Regional Water Quality Control Board intends to revise the Waste Discharge Requirements (WDRs) for the Toyon Canyon Landfill (Regional Board Order No. R4-2002-0076, adopted on March 28, 2002). This letter is to inform you that the location where the tentative revised WDRs will be considered has changed. Rather than the Metropolitan Water District of Southern California, the Regional Board meeting will occur at the **City of Simi Valley Council Chambers, at 2929 Tapo Canyon Road, Simi Valley, California.** The meeting time is unchanged and will begin at 9:00 am on June 7, 2012

If you have any questions or need additional information, please contact Mr. Douglas Cross (Project Manager) at (213) 620-2246 or dcross@waterboards.ca.gov, or me at (213) 620-2253 or wyang@waterboards.ca.gov.
