
Los Angeles Regional Water Quality Control Board

NOTICE OF HEARING AND OPPORTUNITY TO COMMENT

TENTATIVE WASTE DISCHARGE REQUIREMENTS AND WATER RECLAMATION REQUIREMENTS FOR AGRICULTURAL WASTEWATER FROM GREENHOUSE OPERATION PROTOTYPE, LOCATED AT 3900 GROVES PLACE, SOMIS, CALIFORNIA 93066 (FILE NO. 25-051, ORDER NO. R4-2026-XXXX, CI-10888, GLOBAL ID WDR100057030)

The Los Angeles Regional Water Quality Control Board (Los Angeles Water Board) will hold a public hearing to consider the adoption of Tentative Waste Discharge Requirements (WDRs) and Water Reclamation Requirements (WRRs) Order No. R4-2026-XXXX for the discharge of treated agricultural wastewater to landscape irrigation areas.

The Los Angeles Water Board is scheduled to consider this matter at its regularly scheduled Board meeting as follows:

Date: November 19, 2026

Time: 9:00 a.m.

Place: 320 West 4th Street, Los Angeles, CA 90013 (Carmel Room)

The meeting is currently scheduled to be held in-person, with an option for remote participation.

The meeting agenda, including instructions for registration and participation, will be posted on the Los Angeles Water Board's website approximately one week before the meeting at:

https://www.waterboards.ca.gov/losangeles/board_info/agenda/index.html.

At the Board meeting, members of the public will have an opportunity to comment on the tentative order. Please note that the Los Angeles Water Board may limit oral comments to three minutes per speaker.

Copies of the tentative Order are available on the Los Angeles Water Board's website at: https://www.waterboards.ca.gov/losangeles/board_decisions/tentative_orders/index.html#2.

Interested persons are encouraged to submit comments electronically. All written comments and supporting evidence must be received by the Los Angeles Water Board no later than **5:00 p.m. on November 4, 2026**.

Pursuant to section 648.4 of title 23 of the California Code of Regulations, written comments or evidence submitted after the deadline will not be accepted into the administrative record unless the commenter demonstrates good cause for the delay. Late comments or evidence will not be accepted if doing so would unduly prejudice any party or the Los Angeles Water Board, including circumstances in which staff or the Board would not have adequate time to review, consider, and respond to the comments or evidence.

Written comments should be submitted by email to Kai Kim, Case Manager, at kai.kim@waterboards.ca.gov. Please include the following text in the email subject line:

“Comment Letter – Tentative Order for Greenhouse Operation Prototype.”

Written comments submitted by email should be provided in Microsoft Word or PDF format. Written comments may also be submitted by mail to:
