Water Body: El Dorado Lakes
Water Body ID: CAL4051501020000228153407
Water Body Type: Lake & Reservoir
Change Type: Water body areal extent modification
Change Information: The mapped representation of El Dorado Lakes has been revised to remove a golf course lake that was erroneously included in the El Dorado Lakes coverage. The golf course lake does not belong because it: 1. Is not hydraulically connected with the El Dorado Park lakes. 2. Is in another drainage area. 3. To our knowledge has not been sampled.
