

## North Coast Regional Water Quality Control Board

Notice of Proposed No Further Action for

J&W Farms County Road 103 Tulelake, California

Case Number 1NSI223 Siskiyou County

Notice Posting Date: June 3, 2025 End of Comment Period: July 3, 2025

Regional Water Board staff propose that no further work be required at the abovereferenced site. The purpose of this notice is to inform interested parties, including owners of nearby land, that the case is being considered for closure, and to invite public comment on this proposed decision.

## **Problem Description**

A soil and groundwater investigation was conducted at the above-referenced site due to an unauthorized discharge of petroleum hydrocarbons. Excavation of the contamined soil was conducted and subsequent groundwater monitoring demonstrated successful cleanup of the site. North Coast Regional Water Quality Control Board (Regional water Board) staff proposes that no further work be required.

## **Proposed Action**

Case closure is proposed. Unless significant comments are received or new information is presented regarding this site, Regional Water Board staff plans to proceed with the closure process upon conclusion of the comment period. Please contact Cody Walker at (707) 576-2642 or <a href="Cody.Walker@waterboards.ca.gov">Cody.Walker@waterboards.ca.gov</a> with any questions or comments. Written comments may also be submitted to:

North Coast Regional Water Quality Control Board Attention: Cody Walker 5550 Skylane Blvd, Suite A Santa Rosa, CA 95403

Regional Water Board site records comprise both a paper file and an electronic file. Beginning in 2005, select file material was uploaded to the State Water Resources Control Board's GeoTracker website and not necessarily included in the paper file. All new file material after 2014 is retained only electronically. All electronic records for J&W Farms are available on the <a href="Geotracker records website">Geotracker records website</a> (https://geotracker.waterboards.ca.gov/profile report.asp?global id=T10000000075).
