North Coast Regional Water Quality Control Board

Notice of Proposed No Further Action

for

Golden LLC Diesel Spill
3990 Hyampom Road
Hayfork, California

Case Number 1NTR144
Trinity County

Notice Posting Date: November 05, 2026

End of Comment Period: December 05, 2026

North Coast Regional Water Quality Control Board (Regional Water Board) staff proposes that no further work be required at the above-referenced site. The purpose of this notice is to inform interested parties, including owners of nearby land, that the case is being considered for closure, and to invite public comment on this proposed decision.

Problem Description
An unauthorized discharge of diesel fuel was discovered at the site during an inspection related to a permitted cannabis cultivation operation. Corrective action consisting of soil excavation was subsequently conducted to remove the diesel contamination. Soil sampling from the excavation pit confirmed the cleanup was successful.

Proposed Action
Case closure is proposed. Unless significant comments are received or new information is presented regarding this site, Regional Water Board staff plans to proceed with the closure process upon conclusion of the comment period. Please contact Cody Walker at (707) 576-2642 or Cody.Walker@waterboards.ca.gov with any questions or comments. Written comments may also be submitted to:

Regional Water Board site records comprise both a paper file and an electronic file. Beginning in 2005, select file material was uploaded to the State Water Resources Control Board's GeoTracker website and not necessarily included in the paper file. All new file material after 2014 is retained only electronically. All electronic records for Golden LLC Diesel Spill are available on GeoTracker (https://geotracker.waterboards.ca.gov/profile_report.asp?global_id=T10000020179).
