

**The North  
Coast Water Board  
is developing**

## **New Water Quality Requirements for Agriculture in the Scott and Shasta Watersheds**

*Existing water quality permits (aka “waivers”) for commercial agricultural operations are being updated to incorporate statewide requirements and improve conditions in both watersheds.*

**LEARN MORE AT THE FOLLOWING**

### **COMMUNITY MEETINGS**

**Wednesday  
February 4, 2026**

**5:30 pm - 8:00 pm**

*In-Person and Hybrid Attendance Options  
Available*

**The Resource and Event Center  
(REC)**

**11236 CA-3, Fort Jones, CA**

**Join via Zoom:**

**<https://waterboards.zoom.us/j/86729486777>**

**Thursday  
February 5, 2026**

**5:30 pm - 8:00 pm**

*In-Person Attendance*

**Montague Community Center  
200 S 11th St, Montague, CA**
