George.kostyrko@waterboards.ca.gov

What: The monthly reporting system that shows estimated **daily water use per person** as well as **total water use** for nearly every community water system statewide continues. **The statewide enforcement data for April** will also be discussed before the State Water Resources Control Board (State Water Board) during an informational Board discussion item June 2. The item is number 6 on this [agenda](#).

This reporting system includes total water use and residential per-capita per day (R-GPCD). The reporting of monthly water use was called for in an emergency water conservation regulations adopted by the board in [July](#) 2014 and renewed in [March](#) of this year.

Beginning this month, urban water suppliers will be reporting all enforcement activities. The first full month of enforcement data will be posted [here](#), when the Board hears the presentation June 2. For more information on what California is doing to address the drought, please visit the [State Water Board Drought Year Water Actions Portal](#).

Where: Coastal Room (2nd floor), Cal/EPA building 1001 I Street, Sacramento Ca 95814

MEETING will be internet **live streamed** here: <http://www.calepa.ca.gov/Broadcast/>

When: Meeting begins at 9 a.m. June 2. The board takes up items in order.
