

Governor Jerry Brown
c/o State Capitol, Suite 1173
Sacramento, CA 95814

Chairwoman Felicia Marcus
State Water Resources Control Board
1001 I Street
Sacramento, CA 95814

ATTENTION: BAY DELTA WQCP SED COMMENTS, MERCED RIVER

Dear Governor Brown and Chairwoman Marcus:

I am writing to plead with you to stop the proposed Bay Delta Water Quality Control Plan SED and instead consider implementing the alternative Merced River S.A.F.E. Plan. This plan will support salmon and the environment, without degrading our local water supply or devastating our local economy.

I am a resident of the Merced community that will be directly affected by the Bay Delta SED water plan. Our community already is among the most disadvantaged in the state. I will be directly harmed by your plan and instead respectfully request you support implementation of the local Merced River S.A.F.E. Plan.

(PLEASE DESCRIBE YOUR CONCERNS)

Sincerely,

NAME/SIGNATURE/DATE Consensiona Rodriguez

ADDRESS (requested, but not necessary) 11863 Bell Drive
Atwater, CA 95301

List of Submitters: Merced Irrigation District-S.A.F.E. Plan Petition

The following people submitted the same petition or a letter of similar text. The State Water Board received a total of approximately 766 unique signatures and/or copies of this petition.
