Article 1. Fees**

Section 2200.6. Annual Agricultural and Irrigated Lands Fee Schedule.

(a) Annual fees for waste discharge requirements and waivers of waste discharge requirements for discharges from agricultural lands¹, including irrigated lands, shall be as follows:

(1) Tier I: If a discharger is a member of a group that has been approved by the state board to manage fee collection and payment, then the fee shall be \$100 per group plus \$0.95 per acre of land.

(2) Tier II: If a discharger is a member of a group that has been approved by the state board but that does not manage fee collection and payment, then the fee shall be \$250 per farm plus \$1.43 per acre of land.

(3) Tier III: If a discharger is not a member of a group that has been approved by the state board, the following fee schedule applies:

Acres	Fee Rate	Min Fee	Max Fee
0-10	\$511 + \$17.05/Acre	\$511	\$682
11-100	\$1,277 + \$8.53/Acre	\$1,371	\$2,130
101-500	\$3,192 + \$4.26/Acre	\$3,622	\$5,322
501 or More	\$6,384 + \$3.41/Acre	\$8,092	No Max Fee

(b) Upon approval by the regional board to join a group subject to waste discharge requirements or waivers of waste discharge requirements for discharges from agricultural lands, including irrigated lands, the discharger shall submit to the state board an application fee, unless such fee is not required by the regional board. The application fee is a one-time fee of \$200 for dischargers that have received a written request to submit an application or report of waste discharge, and \$50 for all other dischargers. This application fee shall not apply to dischargers who were members of a group on or before June 30, 2008.

(c) For purposes of this section, the words “agricultural lands,” “irrigated lands,” “farm,” and “discharger” have the meaning contained in the applicable regional board or state board waste discharge requirements or waiver of waste discharge requirements for discharges from agricultural lands, including irrigated lands. These fees shall apply whether or not a regional board or the state board has previously waived the payment of fees for the discharge of waste.

¹ As used in this section, the acreage on which the fee is based refers to the area that has been irrigated or cultivated by the farmer or discharger at any time in the previous five years.
