BEFORE THE CALIFORNIA WATER QUALITY CONTROL BOARD
CENTRAL COAST REGION

In the Matter of:)
Carpinteria Sanitary District) ACLC No. R3-2015-0011
)
) DECLARATION OF BRYAN ELDER
)

I, Bryan Elder, declare as follows:

1. I am employed at the State Water Resources Control Board as a Water Resources Control Engineer, and have been employed here for approximately 12 months. I graduated from Pepperdine University with a Master of Business Administration and from University of California, Los Angeles with a Master of Science in Civil Engineering. I am also a licensed Professional Civil Engineer (C81253). I work primarily in enforcement on cases involving storm water and wastewater throughout the state.
2. Prior to being hired at the State Water Resources Control Board, I worked at AECOM Environment. I was primarily responsible for managing a portfolio of soil and groundwater contamination projects. My duties included budgeting, cost estimating, remediation system design and construction, and regulatory compliance.
3. I conducted the economic benefit calculation for ACLC R3-2015-0011. I have familiarity

with the U.S. EPA BEN model. Included in Attachment A to the ACLC is a table indicating the economic benefit calculation that I ran for the Carpinteria matter.

4. I will be available to testify at the May 29, 2015 hearing.

Executed this 14th day of April, 2015, in Sacramento, California.
