Please note that certain documents are provided by reference only, pursuant to California Code of Regulations, Title 23, § 648.3, which provides:

Evidence by Reference. Public records of the Board that are relevant to the subject of the hearing, and books, reports, and other evidence that have been prepared and published by a public agency, if otherwise admissible, may in the discretion of the Board be received in evidence as exhibits by reference without the necessity of supplying copies to the Board and other parties, provided the original or a copy is in the possession of the Board and the specific file folder or other exact location where it can be found is identified. The party offering an exhibit by reference shall designate the particular portions on which the party relies. Each exhibit shall be appropriately identified and designated in the record as an exhibit of the party offering the exhibit or an exhibit of Board staff.

Documents provided by reference are due to the length of such documents; if the Board or the Discharger wishes for the Prosecution Team to provide paper or electronic copies of such documents, they will be furnished upon request.
