

## Environmental Justice, Racial Equity, Tribal Engagement - Project Outreach Tracker

The purpose of this Project Tracker is to increase transparency and provide opportunities for community and tribal engagement. The Project Tracker includes a list of active projects that may be of increased interest to underrepresented communities and Tribes. Note: The Project Tracker was updated **6/19/2024**. For the most updated information about each specific project, please contact the staff listed (firstname.lastname@waterboards.ca.gov). For more information about public participation opportunities, see the Public Notice webpage: [https://www.waterboards.ca.gov/centralcoast/public\\_notices/](https://www.waterboards.ca.gov/centralcoast/public_notices/)
