Mr. Simon Hakakian
410 South Beverly Drive
Beverly Hills, CA 90212

TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM PERMIT AND WASTE DISCHARGE REQUIREMENTS—SIMON HAKAKIAN, HAKAKIAN RESIDENCE PROJECT, 546 WESTBOURNE DRIVE, WEST HOLLYWOOD, CALIFORNIA (NPDES NO. CAG994004, CI-10210)

Dear Mr. Hakakian:

In our letter dated February 12, 2016, we informed you that the subject discharge is regulated under Order No. R4-2013-0095, *General National Pollutant Discharge Elimination System Permit and Waste Discharge Requirements for Groundwater Discharges from Construction and Project Dewatering to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, adopted by this Board on June 6, 2013.

We have reviewed your January 26, 2017, letter which requested termination of your coverage under the General NPDES Permit. The letter indicated that construction project was completed on November 28, 2016 and the permit is no longer needed.

On March 9, 2017, Board staff inspected the project site and verified that there is no discharge of groundwater from the project site to the storm drain. Since there is no discharge of groundwater from the project site, coverage under Board Order No. R4-2013-0095, General NPDES Permit No. CAG994004, CI-10210 for the facility is hereby terminated except for enforcement purposes.

Please note that if future discharges of groundwater to surface water or land becomes necessary, you must file a Report of Waste Discharge with this office and obtain appropriate Waste Discharge Requirements (WDRs) prior to discharging any groundwater from the site to surface waters or land.

If you have any questions, please contact Vilma Correa at (213) 576-6794.

Sincerely,

Samuel Unger, P.E.
Executive Officer
