Dear Mr. Willoughby:

Our letter dated September 9, 2009, transmitted a copy of the tentative Order which would terminate the Waste Discharge Requirements and National Pollutant Discharge Elimination System (NPDES) permit for PABCO Paper Company, located in the City of Vernon.

Pursuant to Division 7 of the California Water Code, this Regional Board at a public hearing held on November 5, 2009, reviewed the tentative Order, considered all factors in the case, and adopted Order No. R4-2009-0110 (copy attached), relative to the termination of Order No. R4-2004-0142.

Should any future activities at the facility result in the discharge of process wastewater to surface waters, you are required to file a Report of Waste Discharge with this Regional Board prior to discharge.

If you have any questions, please contact Veronica Cuevas at (213) 576-6662.

Sincerely,

Cassandra D. Owens, Chief
