RESCISSION OF NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PERMIT FOR HONEYWELL, INC., TORRANCE (NPDES PERMIT NO. CA0058688, ORDER NO. 01-088, CI-6417)

Dear Ms. Tettman:

Our letter dated June 5, 2006, enclosed a copy of a tentative Order which would rescind the subject requirements and NPDES permit.

Pursuant to Division 7 of the California Water Code, this Regional Board at a public hearing held on August 3, 2006, reviewed the tentative Order, considered all factors in the case, and adopted Order No. R4-2006-0066 (copy attached) relative to the rescission.

Please notify this Regional Board if future changes in facility operations would result in a discharge of wastewater to surface waters. If wastewater discharges are initiated, the Honeywell, Inc. must submit a Report of Waste Discharge (ROWD) to the Regional Board as a permit application.

If you have any questions, please contact Cassandra Owens at (213) 576-6750.

Sincerely,
