RESCISSION OF NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PERMIT – PURETEC INDUSTRIAL WATER, VENTURA (NPDES PERMIT NO. CA0059935, ORDER NO. 96-081, CI-6760)

Dear Mr. Harris:

Our letter dated February 24, 2006, included a copy of a tentative Order which would rescind the subject requirements and NPDES permit.

Pursuant to Division 7 of the California Water Code, this Regional Board at a public hearing held on April 6, 2006, reviewed the tentative Order, considered all factors in the case, and adopted Order No. R4-2006-0041 (copy attached) relative to the rescission.

Please notify this Regional Board if future changes in facility operations would result in a discharge of wastewater to surface waters. If wastewater discharges are initiated, the Puretec Industrial Water must submit a Report of Waste Discharge (ROWD) to the Regional Board as a permit application.

If you have any questions, please contact Cassandra Owens at (213) 576-6750.

Sincerely,

Original Signed by

David Hung, Acting Section Chief
Watershed Regulatory Section
