Arnold Schwarzenegger
Governor

June 25, 2009

Mr. Carlos Graham
The Wilshire Home Owners Association
10580 Wilshire Boulevard
Los Angeles, CA 90024

Dear Mr. Graham:

TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PERMIT—THE WILSHIRE HOME OWNERS ASSOCIATION, THE WILSHIRE CONDOMINIUMS, 10580 WILSHIRE BOULEVARD, LOS ANGELES, CALIFORNIA (NPDES NO. CAG994004, CI-6681)

In our letter dated July 14, 2004, we informed you that the subject discharge is regulated under Order No. R4-2003-0111, *Waste Discharge Requirements for Discharges of Groundwater from Construction and Project Dewatering to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, adopted by this Board on August 7, 2003, which also serves as your NPDES permit.

We have reviewed your June 24, 2009, letter requesting termination of your coverage under the General Permit. The letter indicated that you have ceased groundwater discharge by diverting it to the sanitation sewer system.

On June 24, 2009, Board staff inspected the facility and verified that there is no discharge of groundwater from the site to surface waters. Since there is no discharge of groundwater from the site, coverage under the Board Order No. R4-2003-0111, General NPDES Permit No. CAG994004, for the subject site is hereby terminated except for enforcement purposes.

Please note that if future discharges of groundwater to surface waters become necessary, you must file a Report of Waste Discharge with this office and obtain appropriate Waste Discharge Requirements (WDRs).

If you have any questions, please contact Gensen Kai at (213) 576-6651.

Sincerely,

Tracy J. Egoscue
Executive Officer

Chief Deputy E.O.
