June 14, 2005

Mr. Jim Krachmer
Figueroa at Wilshire, LLC
601 S. Figueroa Street, Suite 2625
Los Angeles, CA 90017

Dear Mr. Bonham:

TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PERMIT – FIGUEROA AT WILSHIRE, LLC, SANWA BANK PLAZA/FIGUEROA AT WILSHIRE, 601 S. FIGUEROA STREET, LOS ANGELES (NPDES CAG994004, CI-6986)

In our letter dated August 13, 2004, we informed you that the subject discharge is regulated under Order No. R4-2003-0111, *General NPDES and Waste Discharge Requirements for Groundwater Discharges from Construction and Project Dewatering to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, which also serves as your NPDES permit.

In your letter dated June 3, 2005, you informed Regional Board staff that the groundwater discharge from the above-referenced project has been diverted to the sanitary sewer. Therefore, the NPDES permit is no longer necessary. On June 10, 2005, staff inspected the facility, and verified that there is no discharge to the storm drain.

Since there is no discharge from the site to the storm drain, coverage under Board Order No. R4-2003-0111 for the subject facility is hereby terminated except for enforcement purposes. If you have any questions, please contact Vilma Correa at (213) 576-6794.

Sincerely,

Jonathan S. Bishop
Executive Officer
