**TERMINATION OF COVERAGE UNDER NATIONAL POLLUTANT DISCHARGE
ELIMINATION SYSTEM (NPDES) PERMIT AND WASTE DISCHARGE
REQUIREMENTS – ARCO PRODUCTS COMPANY – ARCO STATION NO. 1090,
14000 EAST LAMBERT ROAD, WHITTIER, CA (CAG834001, CI-7375)**

Dear Mr. Vose:

In our letter dated June 17, 1994, we determined that the subject discharge is regulated under Board Order 92-091, which also serves as your NPDES permit.

The SECOR Incorporated letter of June 14, 1999, confirmed to the Regional Board that the discharge of ground water from the subject project was completed in July 1997. Therefore, ARCO Products Company requested termination of coverage under NPDES permit No. CAG834001 for the subject project.

Handwritten number: 97-046

Since there is no longer a discharge, coverage under Board Order No. 92-091 for the subject facility is hereby terminated.

If you have any questions, please contact Gary Schultz at (213) 576-6665.

Sincerely,
