TERMINATION OF WASTE DISCHARGE REQUIREMENTS - ARCO SERVICE STATION
#1618, 5304 PARAMOUNT BOULEVARD, LAKEWOOD (NPDES PERMIT NO.
CAG834001; CI-7423; WDS#4B196600049)

In our letter dated April 28, 1995, we determined that the subject discharge is regulated under Board Order No. 92-091, which also serves as your NPDES permit.

Your consultant, SECOR International Incorporation staff, informed the Board staff recently by telephone that no discharge has taken place from the subject facility and there is no plan to discharge in the future. Since NPDES Permit No. CAG834001 and Monitoring and Reporting Program No. CI-7423 are no longer needed, coverage under Board Order No. 92-091 for the subject facility is hereby terminated.

If you have any questions, please contact James Tang at (213) 266-7589.
