October 1, 2004

Ms. Flora Khodadadi
E & F Arco Gas Station
818 South Shenandoah Street
Los Angeles, CA 90035

Dear Ms. Khodadadi :

TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PERMIT – E & F ARCO GAS STATION, 15922 INGLEWOOD AVENUE, LAWDALE (NPDES CAG994004, CI-8234)

In our letter dated March 8, 2004, we informed you that the subject discharge is regulated under Order No. R4-2003-0111, *General NPDES and Waste Discharge Requirements for Groundwater Discharges from Construction and Project Dewatering to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, which also serves as your NPDES permit.

Your letter dated August 10, 2004, informed Regional Board staff that the discharge of groundwater from the above-referenced project never took place, and the permit is no longer necessary. On September 28, 2004, staff inspected the facility, and verified that there is no discharge to the storm drain.

Since there is no discharge from the project to the storm drain, coverage under Board Order No. R4-2003-0111 for the subject facility is hereby terminated except for enforcement purposes. If you have any questions, please contact Vilma Correa at (213) 576-6794.

Sincerely,

Jonathan Bishop
Executive Officer
