Davis Inc.  
12471 Christy Lane  
Los Alamitos, CA 90720

Dear Mr. Davis:

**TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM AND WASTE DISCHARGE REQUIREMENTS—DAVIS INC., 1365 OBISPO AVENUE, LONG BEACH, CALIFORNIA (NPDES NO. CAG834001, CI-8485)**

In our letter dated October 21, 2002, we informed you that the subject discharge is regulated under Order No. R4-2002-0125, *General Waste Discharge Requirements for Treated Groundwater and other Wastewaters from Investigation and/or Cleanup of Petroleum Fuel-Contaminated Sites to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, which also serves as your NPDES permit.

In a letter dated July 31, 2007, from your consultant, Mr. David J. Leu of the Leu Group, you requested Regional Board to terminate your coverage under the General NPDES permit because groundwater is not being pumped, treated or discharged at the above-referenced site. On September 14, 2007, Regional Board staff inspected the facility and verified that there is no discharge to surface waters from the project.

Since there is no discharge from the site, coverage under Board Order R4-2002-0125 for the subject facility is hereby terminated except for enforcement purposes. Please note that if future discharges of groundwater to surface waters become necessary, you must file a Report of Waste Discharge with this office and obtain Waste Discharge Requirements (WDRs) prior to discharging any groundwater from the site to surface waters. If you have any questions, please contact Gensen Kai at (213) 576-6651.

Sincerely,

  
Deborah J. Smith  
Interim Executive Officer

Mr. Michael Davis  
Davis Inc.
