Arnold Schwarzenegger
Governor

April 27, 2006

Mr. C. W. Carson, Vice President
Serra Canyon Property Owner's Association
P.O. Box 103
Malibu, CA 90265-0103

Dear Mr. Carson:

TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PERMIT – SERRA CANYON PROPERTY OWNER'S ASSOCIATION – CROSS CREEK ROAD BRIDGE CONSTRUCTION PROJECT, CROSS CREEK ROAD AT MALIBU CREEK, MALIBU, CALIFORNIA (NPDES NO. CAG994004, CI-8778)

In our letter dated July 16, 2004, we informed you that the subject discharge is regulated under Order No. R4-2003-0111, *Waste Discharge Requirements for Discharges of Groundwater From Construction and Project Dewatering to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, adopted by this Board on August 7, 2003, which also serves as your NPDES permit.

We have reviewed your April 20, 2006, letter requesting termination of coverage under the General Permit. The letter indicated that you have completed the above-referenced construction project in December 2004 and have ceased discharging groundwater to Malibu Creek.

On April 26, 2006, Board staff inspected the project site and verified that there is no discharge of groundwater from the site to Malibu Creek. Since there is no discharge of groundwater from the subject site, coverage under Board Order No. R4-2003-0111, General NPDES Permit No. CAG994004, for the subject site is hereby terminated except for enforcement purposes.

Please note that if future discharges of groundwater to surface waters or land become necessary, you must file a Report of Waste Discharge with this Board and obtain waste discharge requirements.
