Dear Mr. Shafer:

TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PERMIT – KING'S AUTO REPAIR, 12005 E. SOUTH STREET, ARTESIA (NPDES CAG994004, CI-8797)

In our letter dated August 12, 2004, we informed you that the subject discharge is regulated under Order No. R4-2003-0111, *General NPDES and Waste Discharge Requirements for Groundwater Discharges from Construction and Project Dewatering to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, which also serves as your NPDES permit.

In your letter dated November 8, 2005, you informed Regional Board staff that the groundwater treatment system at the above facility was removed on May 31, 2005. Therefore, the NPDES permit is no longer necessary. On April 19, 2006, staff inspected the facility and verified that there is no discharge to the storm drain.

Since there is no discharge from the site to the storm drain, coverage under Board Order No. R4-2003-0111 for the subject facility is hereby terminated except for enforcement purposes. If you have any questions, please contact Vilma Correa at (213) 576-6794.

Sincerely,

Chief Deputy S.O.
