TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM AND WASTE DISCHARGE REQUIREMENTS—LOS ANGELES COUNTY MUSEUM OF ART, THE BOARD CONTEMPORARY ART MUSEUM BUILDING PROJECT, 5905 WILSHIRE BOULEVARD, LOS ANGELES, CALIFORNIA (NPDES NO. CAG994004, CI-8904)

Dear Mr. Murphy:

The subject discharge is regulated under Order No. R4-2008-0032, *General National Pollutant Discharge Elimination System and Waste Discharge Requirements for Discharges of Groundwater from Construction and Project Dewatering to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, adopted by this Board on June 5, 2008.

We have reviewed your December 19, 2011, letter requesting termination of your coverage under the General Permit. The letter indicated that discharge at the above-referenced project has stopped and that the subject NPDES permit is no longer needed.

On February 7, 2012, Board staff inspected the project site and verified that there is no discharge of wastewater from the facility to the storm drain. Since there is no discharge of groundwater from the facility, coverage under Board Order R4-2008-0032, General NPDES Permit No. CAG994004, for the facility is hereby terminated except for enforcement purposes.

Please note that if future discharges of groundwater to surface waters or land become necessary, you must file a Report of Waste Discharge with this Board and obtain appropriate waste discharge requirements.

If you have any questions, please contact Gensen Kai at (213) 576-6651.

Sincerely,

Samuel Unger, P.E.
Executive Officer

California Environmental Protection Agency

Mr. Randy Murphy
