Joseph P. Kwan  
Corporate Director, Environmental Remediation  
Northrop Grumman Corporation  
1840 Century Park East  
Los Angeles, CA 90067-2199

Dear Mr. Kwan:

**TERMINATION OF COVERAGE UNDER GENERAL WASTE DISCHARGE REQUIREMENTS – COMMERCIAL PROPERTY LOCATED AT 8020 DEERING AVENUE, CANOGA PARK, CALIFORNIA (ORDER NO. R4-2005-0030, SERIES NO. 046, MRP NO. CI-9098, SLIC NO. 843, SITE ID NO. 2044T00)**

In our letter dated January 17, 2007, we informed you that the subject discharge is regulated under Order No. R4-2005-0030, Series No. 046, which also serves as your Waste Discharge Requirements (WDR).

By letter dated June 30, 2008, you notified the Regional Board that work performed for the pilot study is complete and that you request rescission of the WDR.

The monitoring results and conclusions of the pilot study were provided to the Regional Board in the May 2008 *Permanganate Injection Pilot Test Report*. Since the pilot test has been completed, and the WDR is no longer needed, the coverage under Board Order No. R4-2005-0030, Series No. 046 for the subject facility is hereby terminated.

If you have any questions, please contact Ms. Su Han at (213) 576-6735 or Mr. Peter Rafferty at (213) 576-6724.

Sincerely,

 David A. Bachowski, AEO  
Tracy J. Egoscue  
Executive Officer
