Arnold Schwarzenegger
Governor

October 20, 2009

Mr. Gary R. Maraviglia
Rusnak BMW
P.O. Box 70137
Pasadena, CA 91117

Dear Mr. Maraviglia:

TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PERMIT—RUSNAK BMW, 3645 AUTO MALL DRIVE, THOUSAND OAKS, CALIFORNIA (NPDES NO. CAG994004, CI-9142)

The subject discharge is regulated under Order No. Order No. R4-2003-0111, *General National Pollutant Discharge Elimination System Permit and Waste Discharge Requirements for Groundwater Discharges from Construction and Project Dewatering to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, adopted by this Board on August 7, 2003.

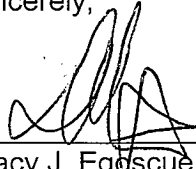

We have reviewed your June 24, 2009, letter which requested termination of your coverage under the General NPDES Permit. The letter indicated that you have completed the building construction project at the above-referenced site and that the groundwater discharge from the subject site to the Malibu Creek has been ceased.

On October 1, 2009, Board staff inspected the project site and verified that there is no discharge of groundwater from the site to the Malibu Creek. Since there is no discharge of groundwater from the facility, coverage under Board Order No. R4-2003-0111, General NPDES Permit No. CAG994004, for the facility is hereby terminated except for enforcement purposes.

Please note that if future discharges of groundwater to surface waters or land become necessary, you must file a Report of Waste Discharge with this Board and obtain appropriate waste discharge requirements.

If you have any questions, please contact Namiraj Jain at (213) 620-6003.

Sincerely,

Tracy J. Egoscue
Executive Officer

Chief Deputy E.O.
for

California Environmental Protection Agency

Our mission is to preserve and enhance the quality of California's water resources for the benefit of present and future generations.
