Marina del Rey, CA 90292

TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PERMIT—PACIFIC OCEAN MANAGEMENT, LLC—GOLD COAST APARTMENTS, LLC, 4170 ADMIRALTY WAY, MARINA DEL REY, CALIFORNIA (NPDES NO. CAG994004, CI—9157)

Dear Mr. Selden:

In our letter dated September 13, 2006, we informed you that the subject discharge is regulated under Order No. R4-2008-0032, General NPDES and Waste Discharge Requirements for *Groundwater Discharges from Construction and Project Dewatering to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, adopted by this Board on June 5, 2008.

We have reviewed your June 10, 2015, letter which requested termination of your coverage under the General NPDES Permit. The letter indicated that construction project was completed and the permit is no longer needed. Since the NPDES permit is no longer necessary, you requested termination of your coverage under the above-referenced General NPDES permit.

Staff inspected the facility and verified that there is no discharge to the storm drain. Since there is no discharge of groundwater from the project site, coverage under Board Order No. R4-2008-0032, General NPDES Permit No. CAG994004, CI-9157 for the facility is hereby terminated except for enforcement purposes.

Please note that if future discharges of groundwater to surface water becomes necessary, you must file a Report of Waste Discharge with this office and obtain Waste Discharge Requirements (WDRs) prior to discharging any groundwater from the site to surface waters.

If you have any questions, please contact Vilma Correa at (213) 576-6794.

Sincerely,

Samuel Unger, P.E.
Executive Officer
