January 15, 2008

Mr. Hugh S. Edwards
ConocoPhillips Company
3900 Kilroy Airport Way, Suite 210
Long Beach, CA 90806

Dear Mr. Edwards:

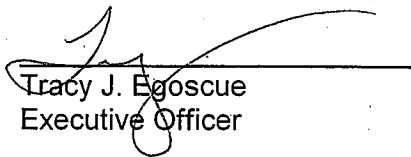

TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PERMIT—CONOCOPHILLIPS COMPANY, SANTA PAULA PUMP STATION, 1120 N. 12TH STREET, SANTA PAULA (CAG674001, CI—9224)

In our letter dated January 24, 2007, we informed you that the subject discharge is regulated under Order No. R4-2004-0109, *General NPDES and Waste Discharge Requirements for Discharges of Low Threat Hydrostatic Test Water to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, which also serves as your NPDES permit.

In your letter dated April 25, 2007, you informed Regional Board staff that the above-referenced project was completed in March 2007. Since the NPDES permit is no longer necessary, you requested termination of your coverage under the above-referenced General NPDES permit. On January 11, 2008, Regional Board staff inspected the facility and verified that there is no discharge to surface waters from the project.

Since there is no discharge from the site, coverage under Board Order No. R4-2004-0109 for the subject facility is hereby terminated except for enforcement purposes. If you have any questions, please contact Vilma Correa at (213) 576-6794.

Sincerely,

Tracy J. Egoscue
Executive Officer
