Arnold Schwarzenegger
Governor

October 28, 2009

Mr. Bill Rosica,
California Water Service Company
3725 South H Street
Bakersfield, CA 93304

Dear Mr. Rosica:

TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM AND WASTE DISCHARGE REQUIREMENTS—CALIFORNIA WATER SERVICE COMPANY, MONTEBELLO STATION 62, 228 WEST BEVERLY BLVD., MONTEBELLO, CALIFORNIA (NPDES NO. CAG994005, CI-9445)

In our letter dated August 12, 2008, we informed you that the subject discharge is regulated under Order No. R4-2003-0108, *General National Pollutant Discharge Elimination System and Waste Discharge Requirements for Discharges of Groundwater from Potable Water Supply Wells to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, adopted by this Board on August 7, 2003, which also serves as your NPDES permit.

We have reviewed your June 22, 2009, letter requesting termination of your coverage under the General Permit. The letter indicated that you have completed your construction project and ceased groundwater discharge.

On October 22, 2009, Board staff inspected the project site and verified that there is no discharge of groundwater from the site to surface waters. Since there is no discharge of groundwater from the site, coverage under the Board Order No. R4-2003-0108, General NPDES Permit No. CAG994005, for the subject site is hereby terminated except for enforcement purposes.

Please note that if future discharges of groundwater to surface waters become necessary, you must file a Report of Waste Discharge with this office and obtain appropriate Waste Discharge Requirements (WDRs).

If you have any questions, please contact Gensen Kai at (213) 576-6651.

Sincerely,

Tracy J. Egoscue
Executive Officer

California Environmental Protection Agency

Our mission is to preserve and enhance the quality of California's water resources for the benefit of present and future generations.
