

Los Angeles Regional Water Quality Control Board

January 30, 2015

Mr. Chris Dudley, Vice President
Farm Credit West
200 E. Cartmill Avenue
Tulane, CA 93274

TERMINATION OF GENERAL WASTE DISCHARGE REQUIREMENTS FOR SMALL COMMERCIAL AND MULTIFAMILY RESIDENTIAL SUBSURFACE SEWAGE DISPOSAL, COAST NUSERIES, INC., 5870 LOS ANGELES AVENUE, SOMIS, CA (FILE NO. 09-094, ORDER NO. 01-031, CI NO. 9571, GEOTRACKER GLOBAL ID WDR 100001377)

Dear Mr. Dudley:

Our letter dated March 3, 2010, we informed the former owner Mr. Steve Fujimoto that the waste discharge from the onsite wastewater treatment systems (OWTS) of Coast Nurseries, Inc., located at 5870 Los Angeles Avenue, Somis, California (Site), is regulated under Order No. 01-031, which specifies your Waste Discharge Requirements.

On January 6, 2015, you requested to terminate the coverage under Order No. 01-031 because the Site is vacant and has been marketed for sale since the acquisition on August 5, 2014. Hereby, the Los Angeles Regional Water Quality Control Board terminates the coverage of Order No. 01-031 for your Site except for enforcement purpose.

If you have any questions, please contact the Project Manager, Dr. Don Tsai at (213) 620-2264 (dtsai@waterboards.ca.gov), or the Chief of Groundwater Permitting Unit, Dr. Eric Wu at (213) 576-6683 (ewu@waterboards.ca.gov).

Sincerely,

Chief Deputy E.O.
for

Samuel Unger, P.E.
Executive Officer
