GOVERNOR

MATTHEW RODRIGUEZ  
SECRETARY FOR  
ENVIRONMENTAL PROTECTION

## Los Angeles Regional Water Quality Control Board

November 28, 2012

Mr. James B. Glancy  
City of Lakewood  
Department of Water Resources  
5050 Clark Avenue  
Lakewood, CA 90712

**TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PERMIT—CITY OF LAKEWOOD, DEPARTMENT OF WATER RESOURCES—WELL NO. 22, 3310 CANDLEWOOD STREET, LAKEWOOD, CALIFORNIA (NPDES NO. CAG994005, CI—9786)**

Dear Mr. Glancy:

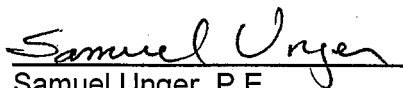

In our letter dated January 20, 2012, we informed you that the subject discharge is regulated under Order No. R4-2003-0108, *General NPDES and Waste Discharge Requirements for Groundwater Discharges from Potable Water Supply Wells to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, adopted by this Board on August 7, 2003.

On October 23, 2012, you informed Regional Board staff that the above-referenced well redevelopment project was completed on August 30, 2012. Since the NPDES permit is no longer necessary, you requested termination of your coverage under the above-referenced General NPDES permit. On November 19, 2012, staff inspected the facility and verified that there is no discharge to the storm drain. Since there is no discharge from the site to the storm drain, coverage under Board Order No. R4-2003-0108 for the subject facility is hereby terminated except for enforcement purposes.

Please note that if future discharges of groundwater to surface water becomes necessary, you must file a Report of Waste Discharge with this office and obtain Waste Discharge Requirements (WDRs) prior to discharging any groundwater from the site to surface waters.

If you have any questions, please contact Vilma Correa at (213) 576-6794.

Sincerely,

  
Samuel Unger, P.E.  
Executive Officer
