Dear Ms. Sime,

On September 27, 2012, this Regional Water Quality Control Board (Regional Board) informed you that the subject discharge is regulated under Regional Board Order No. R4-2007-0019, which specifies your Waste Discharge Requirements (WDR).

In a letter dated August 22, 2016, you notified the Regional Board that you ceased injection of sodium persulfate at the subject site and requested termination of the WDR.

Since Tesoro Refining and Marketing Company, LLC has no plan to inject sodium persulfate in the future, the coverage for the subject facility under Regional Board Order No. R4-2007-0019 is hereby terminated, with the exception of enforcement under the terms of the permit.
