Dear Mr. Donovan,

On January 25, 2013, this Regional Water Quality Control Board (Regional Board) informed you that the subject discharge is regulated under Regional Board Order No. R4-2007-0019, which specifies your Waste Discharge Requirements (WDR).

In a letter dated January 26, 2015, you notified the Regional Board that you ceased injection of sodium persulfate at the subject site and requested termination of the WDR.

Since Tesoro Refining & Marketing Company, LLC has no plan to inject sodium persulfate in the future, the coverage for the subject facility under Regional Board Order No. R4-2007-0019 is hereby terminated, with the exception of enforcement under the terms of the permit.
