

EDMUND G. BROWN JR.
GOVERNOR

MATTHEW RODRIGUEZ
SECRETARY FOR
ENVIRONMENTAL PROTECTION

Los Angeles Regional Water Quality Control Board

February 27, 2014

Mr. Ara Maloyan
Department of Public Works,
City of Long Beach
333 West Ocean Boulevard, 9th Floor,
Long Beach, CA 90802

TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PERMIT—CITY OF LONG BEACH, DEPARTMENT OF PUBLIC WORKS—CHITTICK FIELD PARK aka HAMILTON BOWL STORM WATER DETENTION BASIN, 1900 NORTH WALNUT AVENUE, LONG BEACH, CALIFORNIA (NPDES NO. CAG994004, CI—9927)

Dear Mr. Maloyan:

In our letter dated March 15, 2013, we informed you that the subject discharge is regulated under Order No. R4-2008-0032, General NPDES and Waste Discharge Requirements for *Groundwater Discharges from Construction and Project Dewatering to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, adopted by this Board on June 5, 2008.

We have reviewed your January 1, 2014, letter which requested termination of your coverage under the General NPDES Permit. The letter indicated that construction project has been completed and the permit is no longer needed. On February 21, 2014, Board staff inspected the project site and verified that there is no discharge of groundwater from the project site to the storm drain. Since there is no discharge of groundwater from the project site, coverage under Board Order No. R4-2008-0032, General NPDES Permit No. CAG994004, CI-9927 for the facility is hereby terminated except for enforcement purposes.

Please note that if future discharges of groundwater to surface water becomes necessary, you must file a Report of Waste Discharge with this office and obtain Waste Discharge Requirements (WDRs) prior to discharging any groundwater from the site to surface waters.

If you have any questions, please contact Vilma Correa at (213) 576-6794.

Sincerely,

Samuel Unger, P.E.
Executive Officer
