Subject: Order No. R4-2016-0028- The disposal of well drilling fluids, well completion fluids, and production fluids to land for Glendale Oil operations in Los Angeles and Ventura County, California.

Mr. Unger:

In response to the information requested by Order No. R4-2016-0028, Glendale Oil Company (GLE) does not own or operate any oil and gas facilities in Los Angeles or Ventura County. All oil and gas operations owned and operated by GLE are located in the Strand Oil field within Kern County, California. Please see attached site plan and aerial imagery.

If you have any questions or need further information, please feel free to call me at (661) 377-0073 x16.

Sincerely,

Jason Goklaney
Environmental Engineer
