

**23 AUGUST 2024 BOARD MEETING
INFORMATION ITEM ONLY**

AGENDA ITEM: 11

SUBJECT:

Wastewater Needs Assessment

BOARD ACTION:

Information Item Only.

BACKGROUND:

The Wastewater Needs Assessment (WWNA) staff from the Division of Water Quality within the State Water Board will update on the progress in identifying and addressing sanitation and wastewater compliance issues in California. Staff will outline the next steps for proposing potential solutions to improve these issues and provide a brief update on the outcome of the first WWNA Advisory Group meeting held on July 26th at the Central Valley Regional Board office.

RECOMMENDATION:

Not applicable.
