TENTATIVE ORDER R8-2025-0013

NOTICE IS HEREBY GIVEN that the Santa Ana Regional Water Quality Control Board (Santa Ana Water Board) is releasing for public review and comment tentative Order R8-2025-0013 (Tentative Order), which will serve as Waste Discharge Requirements for the discharge of chemical amendments into the subsurface at All Metals Processing Facility (8401 Standustrial Street, Stanton) to promote in-situ remediation of contaminants of concern, primarily, hexavalent chromium (CrVI), volatile organic compounds (VOCs), and per- and polyfluoroalkyl substances (PFAS), within the specified treatment zone. With proper management and monitoring as required by the Tentative Order and associated Monitoring and Reporting Program, any potential adverse effects will be localized, of short duration, and are not expected to unreasonably impair any existing or prospective beneficial uses of groundwater. For additional background on the ongoing investigation and cleanup at the All Metals Processing Facility, reference the EnviroStor database under Global ID No. 71002315 at: https://www.envirostor.dtsc.ca.gov/public/profile_report.asp?global_id=71002315.

The Santa Ana Water Board intends to consider adopting the Tentative Order during a public hearing at a regularly scheduled Santa Ana Water Board meeting as follows:

Date: February 14, 2025
Time: 9:00 a.m.
Location: City of Loma Linda
25541 Barton Road
Loma Linda, CA 92354
(remote participation available)

The public may participate either in person at the physical meeting location or virtually via the Zoom meeting platform. Instructions concerning how to participate virtually are available on the Santa Ana Water Board's [Remote Participation](#) webpage. For those who do not intend to actively participate, the meeting will be livestreamed via [Cal-Span](#).

Interested persons may attend and express their views orally on this matter at the public hearing. Oral statements should be brief to allow all interested persons time to be heard. Such comments will generally be limited to three minutes, though the Board Chair may grant additional time on a case-by-case basis.

The Santa Ana Water Board's agenda for the Board meeting will be available on the Santa Ana Water Board's [Agenda](#) webpage at least ten days prior to the meeting. Please check the Santa Ana Water Board's website for the most up-to-date public hearing date and location, as they are subject to change.

SUBMISSION OF WRITTEN COMMENTS

The Santa Ana Water Board will accept written comments on the Tentative Order during a 30-day public comment period. Persons wishing to submit written comments on the Tentative Order are requested to do so as soon as possible, but comments must be received no later than 5:00 pm on **February 12, 2025**.

Written comments can be submitted to Gabby Pocius at Gabby.Pocius@Waterboards.ca.gov or by fax at (951) 394-9477. Hand deliveries and mailed comments should be sent to the address below:
