Please Take Notice

The California Regional Water Quality Control Board, San Diego Region (San Diego Water Board), is releasing the NOA for Continental Maritime of San Diego (CMSD) located at 1995 Bay Front Street, San Diego for public review and written comment. This site-specific NOA will be implemented supplemental to the General Permit (GP, Order No. R9-2023-0012) and serves as the combined measure to regulate the discharge of waste from shipyards to San Diego Bay. This NOA includes best management practices that are specific to this operation to control discharges to San Diego Bay, that when implemented, help to protect water quality. The San Diego Water Board is making available the NOA for a 30-day public comment period.
