**Supplemental**  
EXECUTIVE OFFICER SUMMARY REPORT  
August 16, 2006

ITEM: 14

SUBJECT: NPDES Permit Reissuance: South Orange County Wastewater Authority, Aliso Creek Ocean Outfall (tentative Order No. R9-2006-0055, NPDES No. CA0107611) (*Joann Lim*)

PURPOSE: To adopt tentative Order No. R9-2006-0055, reissuing the NPDES permit to the South Orange County Wastewater Authority to discharge through the Aliso Creek Ocean Outfall up to 32.86 million gallons per day (MGD) of treated effluent and non-potable treated groundwater and brine discharges.

DISCUSSION: Enclosed are the following Supporting Documents for tentative Order No. R9-2006-0055.

1. Supporting Document No. 6:
  - a. SOCWA's June 21, 2006 and August 3, 2006 letters
  - b. Response to comments
  
2. Supporting Document No. 7: Errata Sheet

RECOMMENDATION: Adoption of Tentative Order R9-2006-0055 with errata is recommended.
