Present Land Use/Zoning/General Plan Designation:

Project Description: *(please use a separate page if necessary)*
 Adoption of Conditional Waivers of Waste Discharge Requirements for Low-Threat Discharges in the San Diego Region (Order). The Order will revise/renew the following waivers for the following waste discharge classifications: on-site graywater disposal systems; animal operations; silvicultural operations, miscellaneous low threat discharges; aerially discharged wastes to land, recycled water discharges to land; solid wastes discharges to land; slurry discharges to land; and regional emergency related waste discharges to land. The Order will incorporate new conditional waivers for the following waste discharge classifications: aquatic animal production facilities, winery waste process water to lined ponds; and composting facilities. The Order requires implementation of effective management measures and structural and non-structural best management practices.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with an "X".
If you have already sent your document to the agency please denote that with an "S".
