DISCUSSION

This item affords the Board the opportunity to discuss issues they would like to appear on future agendas. This includes informational items, status reports, general updates, and priorities for consideration of permit issuance / reissuance. Additional tasks outside Board Meetings may also be requested. The public may also address the Board during this item. Updates on requested Future Agenda Items can be found in the Executive Officer's Report.

One action item resulted from the September 2021 Board Meeting. Chair Cantù requested an update in a future Executive Officer's Report.

Additional details regarding the request are in **Supporting Document No. 1**. This request will require approximately 20 hours of staff time to complete.

The agenda notice for today's meeting was posted on the San Diego Water Board's website and sent to subscribers to the email list for Board meetings. This satisfies the Bagley-Keene Open Meeting Act requirements to publish the meeting notice and agenda.
