

Public Presentation for the Proposed Plan at Installation Restoration Program Site 34b, Naval Weapons Station Seal Beach Detachment Fallbrook, California

Staff Contact: Joe Whearty

The U.S. Department of The Navy has scheduled a public presentation on the proposed plan to excavate and remove wastes, debris, and contaminated soil identified at Installation Restoration Program Site 34b (Site) located at the Naval Weapons Station Seal Beach Detachment Fallbrook, California. The waste and contaminated soil will be characterized for offsite disposal at an appropriate facility. A public comment period will be held from September 8, 2023 through October 9, 2023. The public meeting for the presentation of the proposed remedy, as well as an opportunity to ask questions and submit comments will be held at:

Fallbrook Community Center
341 Heald Lane
Fallbrook, CA 92028

September 20, 2023 from 6pm – 7pm.

For additional information on the proposed remedy, please refer to the Site's Proposed Plan:
