

The California Regional Water Quality Control Board, San Diego Region (San Diego Water Board) intends to renew the [Conditional Waivers of Waste Discharge Requirements for Low Threat Discharges in the San Diego Region](#) (Conditional Waivers). As part of the renewal process the San Diego Water Board will hold a public stakeholder meeting to receive input on the current Conditional Waivers and the proposed waiver changes. The revised conditional waivers will require the implementation of effective management measures, and structural and non-structural best management practices, to address potential impacts associated with storm water run on and runoff, wastes, and wastewater discharges from facilities or operations in the San Diego Region.

The stakeholder meeting is scheduled for:

**Tuesday November 6, 2018, 1:00 pm – 4:00 pm**  
**San Diego Water Board, Board Hearing Room**  
**2375 Northside Drive, Suite 100; San Diego, California 92108**

For additional information, interested parties are encouraged to:
