

STATE OF CALIFORNIA
REGIONAL WATER QUALITY CONTROL BOARD
SAN FRANCISCO BAY REGION

STAFF SUMMARY REPORT (Bruce Wolfe)
MEETING DATE: January 30, 2008

ITEM: 16

SUBJECT: **Greening the Bay: Financing Wetland Restoration in San Francisco Bay** –
Information Item on Report by Save The Bay

DISCUSSION: In August 2007, Save The Bay released its “Greening the Bay” report, which estimates the overall cost of restoring wetlands around the Bay, proposes a strategy for securing the funding needed, and indicates how the public could support this strategy. David Lewis, Save The Bay’s Executive Director, will brief the Board on the report and its proposed strategy. This item was originally scheduled for the Board’s November 2007 meeting.

RECOMMEN-
DATION: Information item – no action required.
