The Complaint alleges that Nicasio Rock Quarry has violated its waste discharge requirements by submitting its 2006/2007 annual report on May 19, 2008, 322 days past the July 1, 2007, deadline. The complaint proposes administrative civil liability of \$11,700.

At that time, the Board may impose the Administrative Civil Liability in the amount proposed, for a different amount, decline to seek civil liability, or refer the case to the Attorney General for judicial enforcement.
